RELEVANT PROJECT / ASSIGNMENT EXPERIENCE

- **Corporate Taxation & Appellate Representation (Grameenphone, Robi Axiata, World Bank Group):**
Led corporate taxation assessments, tax planning, and dispute resolutions before appellate tribunals and tax authorities, ensuring full compliance with direct tax statutes and double tax avoidance agreements.
- **VAT Advisory, Dispute Resolution & Intelligence Audit (Large Taxpayer Unit - VAT & NBR):**
Nominated by ICAB as VAT expert to resolve complex tax disputes with the Large Taxpayer Unit (LTU-VAT). Conducted training sessions for the National VAT Audit and Intelligence Directorate of NBR on financial statement-based VAT audits.
- **Cross-Border Tax Structuring & Transfer Pricing (OSJI JV, OTJ JV, IHI SMCC JV, Wipro IT):**
Formulated transfer pricing documentation, structured corporate restructuring frameworks, and managed withholding tax and fiscal incentive strategies for international infrastructure joint ventures.

KEY QUALIFICATIONS & SKILLS

- **Tax Strategy & Statutory Compliance** - Over 16 years of extensive experience delivering corporate tax planning, assessment finalization, and handling appeals before appellate authorities and the High Court division.
- **Indirect Tax & VAT Audit Oversight** - Specialized knowledge in VAT compliance, customs duty exemptions, and assisting governmental authorities and MNCs in resolving complex indirect tax disputes.
- **Transfer Pricing & Regulatory Advisory** - Proven expertise in transfer pricing regulations, FDI facilitation, debt financing, and aligning corporate tax practices with international tax guidelines.
