Dear Sir,

Engagement letter for review of Converter & Service Level Hygiene of Unilever Bangladesh Limited

We refer to the Service Agreement dated 1st March 2025 (hereinafter referred to as the 'Agreement') entered into between Unilever Bangladesh Limited and ourselves for the appointment of ACNABIN, Chartered Accountants, to perform a Review of Converter & Service Level Hygiene of Unilever Bangladesh Limited. This letter confirms our understanding of the terms and objectives of our engagement and the nature and limitations of the services we will provide. Our assignment will be conducted under the following Terms of Reference-

1. Objective of the Assignment

Review processes, service delivery, and compliance of vendors with agreements for Unilever Bangladesh Limited, covering 5 converters.

2. Scope of Work

The preliminary scope of work is given below for your consideration:

- Review infrastructure, system, and process of service delivery and conversion charges.
- Check whether the vendors have fulfilled the objective of the agreement and that they have adequately and effectively adhered to the terms and conditions of the agreement.
- Investigation of any stock mismatch between both company records in detail to find out the root causes of any such abnormal differences with evidence substantiating the findings.

3. Review Methodology and Work Plan

The matter has been discussed in detail in our proposal, details of which have been set forth in Annexure A of this Engagement Letter. The proposal may be referred to avoid confusion about the scope of work and the methodology to be adopted.

- **Planning and Preparation**

- **Understanding Scope and Objectives:** Review the RFP and organizational expectations to clearly define deliverables, including vendor-wise assurance reports with findings.

- **Stakeholder Engagement:** Coordinate with Unilever Bangladesh's Internal Audit team and relevant vendor representatives to confirm timelines, required resources, and areas of focus.
- **Document Review:** Collect and analyze agreements, previous audit reports, operational data, inventory records, and compliance documents for the last six months to establish baseline criteria.
- **On-Site Assessment**
 - **Fieldwork Execution:** Visit all 5 converters and conduct assessments based on the following key focus areas:
 - Contracting
 - Data Management & access controls
 - FG Dispatch
 - Fixed Asset
 - Insurance
 - Inventory
 - Production
 - Quality Control
 - Scrap sale
 - GFCF and Factory controls
 - Statutory and other compliances
 - On site purchases
 - Security and Safety
 - Allergen Management
 - Foreign Matter Management and Control
 - Integrated Pest Management
 - Quality Sampling, Monitoring and Testing
 - Cleaning & Disinfection
 - Cross Contamination
 - Infrastructures
 - Personal Hygiene and Employee Facilities
 - **Stakeholder Interviews:** Engage with key personnel at each location to validate findings and gather additional insights into processes and challenges.

4. Our Responsibilities

We will conduct the assignment in accordance with the terms of reference (Scope of Work and Assessment Methodology) as given in this Letter of Engagement and the Agreement dated 1st March 2025

5. Responsibilities of Management

The engagement to be performed will be conducted on the basis that you acknowledge and understand that our role is to conduct the assignment under the Scope of Work mentioned above. We look forward to full cooperation from your staff, and we trust that they will make available to us whatever records, documentation and other information requested in connection with our engagement on a timely basis.

6. Team Mobilization

A dedicated team will be working on-site if there is no restriction on the same. However, the Partners, Directors, and supervisors can work both on-site and off-site. Unilever Bangladesh Limited will arrange a space/room/environment at the converter premises for the reviewers.
