Youth For Change Bangladesh Foundation

Terms of Reference (ToR): Hiring a Consultant/Firm to Develop Financial Management Policy and Training Modules on Financial Management Policy Orientation and Financial Operations

1. About Youth For Change Bangladesh Foundation

Youth For Change Bangladesh Foundation (YFCBD) is a youth-led, nationwide, non-profit and non-governmental organization working to empower children, adolescents, and young people in Bangladesh, with a strong focus on women and marginalized groups. Established in 2018, YFCBD emerged from a global youth movement to end child marriage and harmful practices and has since grown into an independent organization registered with the Registrar of Joint Stock Companies and Firms (RJSC) and the NGO Affairs Bureau (NGOAB). YFCBD works across gender equality, sexual and reproductive health and rights, climate action, disaster risk reduction, youth leadership, digital safety, and policy advocacy, implementing initiatives at national and district levels to strengthen youth voice and participation.

Organization Details:

Registration: 3444 — NGOAB; S-13770 — RJSC

Address: 3rd Floor, House No. 33, Road No. 02, Janata Housing Society, Adabor, Dhaka-1207

Email: bangladesh@youthforchange.org

Website: www.youthforchange.org

2. Background and Rationale

Youth For Change Bangladesh Foundation has grown from a youth-led movement into a registered national organization implementing programmes, projects, campaigns, advocacy initiatives, research, capacity development activities, and partnership-based interventions. With this growth, YFCBD has also expanded its operational responsibilities, financial transactions, donor-funded project management, procurement processes, event-based expenditures, volunteer and youth engagement costs, consultant payments, field activity expenses, and organizational compliance requirements.

As a youth-led organization, YFCBD places strong importance on transparency, accountability, ethical use of resources, participatory decision-making, and responsible financial management. The organization already follows internal financial guidelines, approval practices, documentation procedures, donor requirements, and operational norms in its day-to-day work. These practices have supported YFCBD in managing project funds, maintaining documentation, coordinating programme and finance teams, and responding to donor and regulatory requirements.

YFCBD recognizes the need to consolidate its existing financial guidelines, practices, templates, and compliance requirements into a comprehensive and formal **Financial Management Policy**. The policy will be developed based on YFCBD's existing systems, organizational values, practical experiences, internal practices, governance structure, and operational realities. The consultant/firm will provide support to YFCBD in reviewing, organizing, strengthening, and documenting these practices into a clear, standardized, and user-friendly policy.

In addition to developing the Financial Policy, YFCBD also recognizes that a policy becomes effective only when it is properly understood and practiced by the people responsible for implementation. Therefore, this assignment will also include the development of training modules on **Financial Policy Orientation** and **Financial Operations**. These modules will help YFCBD orient its staff, management, members, project personnel, volunteers and relevant associates on the practical application of the policy and day-to-day financial procedures.

This consultancy will support YFCBD in developing a user-friendly, practical, and contextually relevant financial policy, along with training modules for effective rollout, orientation, and institutionalization.

YFCBD already maintains a suite of approved policies and guidelines that contain financially relevant provisions, including the Financial Management Guideline (2021), the Internal Control Framework (v1.0, September 2025), the Anti-Fraud Policy and Management Framework (v1.1, 2025), and the Subgrant and Co-Implementation Partner Guideline (effective 28 April 2026). The Financial Management Policy developed under this assignment must be fully aligned with these documents, cross-referencing them rather than duplicating or contradicting their provisions, and must additionally introduce two elements not yet covered in detail anywhere in YFCBD's policy suite: a full **Per Diem, Travel and Accommodation Policy**, and an **Anti-Money Laundering and Countering the Financing of Terrorism (AML/CFT)** framework consistent with the Money Laundering Prevention Act, 2012 (as amended), the Anti-Terrorism Act, 2009, and the Bangladesh Financial Intelligence Unit (BFIU) "Guidelines on Prevention of Money Laundering and Terrorist Financing for the NGO/NPO Sector."

3. Role Purpose

The purpose of this consultancy is to hire a qualified consultant or consultancy firm to:

1. Review YFCBD's existing financial guidelines, finance-related practices, donor compliance requirements, and organizational procedures.
2. Develop a comprehensive, practical and donor-friendly **Financial Management Policy** for Youth For Change Bangladesh Foundation aligning with NGOAB Regulations, Bangladesh Laws.
3. Develop a dedicated Per Diem, Travel and Accommodation Policy, including a proposed rate structure and travel advance/settlement procedures.

4. Develop Anti-Money Laundering and Countering the Financing of Terrorism (AML/CFT) safeguards aligned with Bangladesh Financial Intelligence Unit (BFIU) guidance and the Money Laundering Prevention Act, 2012.
5. Ensure the Financial Management Policy is fully aligned with, and does not duplicate or contradict, YFCBD's Internal Control Framework, Anti-Fraud Policy and Management Framework 2025, and Subgrant and Co-Implementation Partner Guideline.
6. Standardize billing, invoicing, and financial forms/formats consistent with YFCBD's existing templates.
7. Develop structured training modules for:
 - Financial Management Policy Orientation for staff and members
 - Financial Operations and Compliance
8. Support YFCBD in validating the policy and training modules through facilitation, consultation and review with external experts and relevant staff and management.
9. Provide recommendations for strengthening financial governance, internal control, accountability, documentation, and compliance mechanisms.
10. Facilitate validation and review workshops with key stakeholders including management, members and staff throughout the consultation process and capacity building workshop after developing the policy and training modules.

The assignment should ensure that the developed policy and modules are aligned with transparent financial management practices, NGO sector standards, donor compliance expectations, and relevant laws and regulations applicable in Bangladesh.

4. Key Responsibilities

The selected consultant/firm will be responsible for the following tasks:

4.1 Review and Assessment

- Review YFCBD's existing financial management guidelines, templates, practices, project financial procedures, procurement practices, payment processes, documentation systems, and internal approval mechanisms.
- Identify gaps, inconsistencies, duplication, outdated provisions, and areas requiring strengthening.
- Review relevant compliance requirements, including NGOAB-related financial documentation, donor reporting standards, TAX and VAT requirements, and other applicable financial management practices.
- Conduct consultations with YFCBD's management, finance personnel, programme staff, project focal persons, and other relevant stakeholders to understand organizational realities and operational needs.
- Review YFCBD's Internal Control Framework, Anti-Fraud Policy and Management Framework (2025), and Subgrant and Co-Implementation Partner Guideline to ensure

the new Financial Management Policy is consistent with, and cross-referenced to, these documents.

- Review current per diem, travel, and daily allowance practices, any donor-imposed travel-cost ceilings on active projects, and applicable Anti-Money Laundering/Countering the Financing of Terrorism (AML/CFT) obligations under BFIU guidance and the Money Laundering Prevention Act, 2012.

4.2 Development of Financial Management Policy

Modular but unified structure: The Financial Management Policy must be developed as a single, unified, board-approved document in which each major thematic area, including Per Diem, Travel and Accommodation; Anti-Fraud, Anti-Bribery and Anti-Money Laundering/CFT; Procurement; Internal Control; and Subgrant and Partner Financial Management, is presented as a clearly numbered, self-contained chapter or annex. Each chapter must be complete enough to be extracted and used on its own (for training, quick reference, or donor submission) while remaining formally part of, and cross-referenced within, the one overarching Financial Management Policy. This modular-but-unified approach mirrors recognized practice among established international NGOs, for example, ActionAid International's Financial Management Framework presents Fraud and Money Laundering as one dedicated chapter alongside separately numbered chapters for Per Diems, Procurement, and Partner-related provisions, all within a single framework document.

Develop a comprehensive Financial Management Policy for YFCBD covering, but not limited to, the following areas:

- Policy hierarchy and relationship to other YFCBD policies (Internal Control Framework, Anti-Fraud Policy and Management Framework, Subgrant and Co-Implementation Partner Guideline, Safeguarding/PSHEA, HR Policy/PMDF)
- Financial governance and accountability
- Roles and responsibilities of Executive body, management, finance team, programme team, other staff and budget holders
- Role-specific financial responsibilities for finance, programme, admin, and project staff
- Budget preparation, approval, revision, monitoring, and control framework
- Fund management and bank account operations
- Cash and bank management
- Payment procedures and approval authority
- Advance management and settlement
- Procurement and purchase procedures
- Asset management and inventory control
- Travel, per-diem, accommodation, and logistics-related financial procedures
- Detailed Per Diem, Travel and Accommodation Policy — developed as a full stand-alone chapter and annex, including a proposed rate structure by staff level/grade and

destination zone, travel advance and settlement procedures, mileage allowance, and a reconciliation process for donor-imposed per diem ceilings

- Anti-Money Laundering and Countering the Financing of Terrorism (AML/CFT) safeguards, including donor/partner source-of-fund due diligence, cash-transaction thresholds, high-risk indicators, and escalation procedures aligned with Bangladesh Financial Intelligence Unit (BFIU) guidance and the Money Laundering Prevention Act, 2012
- Alignment with YFCBD's Subgrant and Co-Implementation Partner Guideline (financial management, disbursement, and liquidation provisions), Anti-Fraud Policy and Management Framework 2025, and Internal Control Framework, so that the Policy cross-references rather than duplicates these documents
- Standardized billing, invoicing, and financial forms/formats (payment voucher, advance and settlement, per diem/travel claim, procurement, asset register, subgrant fund request and liquidation) aligned with YFCBD's existing templates
- Payroll, honorarium, consultant payment, and volunteer-related payments
- Documentation, filing, and record retention and developing standard formats
- Financial reporting and donor reporting
- Internal control and risk mitigation
- Audit preparation and audit response mechanism
- Tax and VAT compliance
- NGOAB and regulatory compliance reporting, including FD-6/FD-7 project approval, the mandatory foreign-fund "mother account" arrangement, and annual returns
- Fraud prevention, anti-bribery, conflict of interest, and whistleblowing-related financial safeguards
- Financial procedures for projects, events, training, campaigns, and field activities
- Emergency or urgent payment procedures, where applicable
- Delegation of authority and approval matrix
- Policy review, amendment, and version-control procedure
- Annexes, templates, forms, and checklists for practical use
- Financial management framework for emergency response
- Disaster, emergency, and climate-risk-time procurement procedures — simplified/expedited tendering thresholds, pre-approved emergency vendor lists, and conditions for post-facto approval during rapid-onset disasters or climate-related emergencies, cross-referenced with the Environment, Climate Change and DRR Programmatic Policy & Framework
- Disaster, emergency, and climate-risk-time billing and invoicing procedures — accelerated documentation and verification standards for field conditions, with a defined timeframe to regularize full supporting documentation after the emergency phase

- Disaster, emergency, and climate-risk-time approval and delegation of authority — a fast-track approval matrix, higher single-transaction thresholds, and provisions for remote or verbal approval with same-day written confirmation
- Disaster, emergency, and climate-risk-time banking arrangements — contingency access to funds (including mobile financial services/MFS disbursement), alternate signatory arrangements where primary signatories are unavailable, emergency cash advance limits, and reconciliation requirements once normal banking access resumes
- Standard emergency financial forms and formats — emergency payment authorization form, post-facto procurement justification form, and emergency cash advance/settlement form

4.3 Development of Training Modules

Develop practical training modules to support orientation and implementation of the Financial Management Policy and Financial Operation and Compliances. The modules should be suitable for YFCBD staff, project personnel, finance and programme teams, and relevant volunteers.

The training modules should include:

- Training objectives and session plan
- Facilitator guide
- Participant handouts
- PowerPoint presentation
- Practical exercises and case scenarios
- Practical exercises on completing per diem/travel claims and identifying AML/CFT red flags
- Pre-test and post-test tools
- Financial management policy orientation session
- Financial operations and compliance session
- Role-specific guidance for finance, programme, admin, and project staff
- Key templates and checklist-based learning materials

4.4 Validation and Finalization

- Facilitate at least one validation/review session with YFCBD management and relevant staff.
- Incorporate feedback received from YFCBD.
- Submit final versions of the Financial Policy and training modules in editable and PDF formats.
- Provide a short rollout plan for institutionalizing the Financial Policy within YFCBD.

5. Expected Deliverables

The consultant/firm will submit the following deliverables:

1. Inception Report and Workplan

A brief report outlining the methodology, review framework, consultation plan, timeline, and proposed structure of the Financial Management Policy.

2. Assessment/Gaps Summary

A summary of key findings from the review of existing guidelines, practices, internal control systems, and financial management needs.

3. Draft Financial Policy

A comprehensive draft Financial Management Policy including procedures, approval mechanisms, compliance guidance, and relevant annexes/templates, structured as a single document with each thematic area (per diem/travel, anti-fraud/AML, procurement, internal control, subgrant/partner finance, etc.) as a clearly numbered, self-contained chapter that can also be referenced or extracted individually.

4. Per Diem and Travel Allowance Policy

A standalone Per Diem, Travel and Accommodation Policy with a proposed rate card, advance and settlement procedures, and mileage allowance, forming part of the Financial Management Policy annexes.

5. Policy Alignment / Cross-Reference Matrix

A matrix mapping each section of the Financial Management Policy to the relevant clause(s) in the Internal Control Framework, Anti-Fraud Policy and Management Framework 2025, and Subgrant and Co-Implementation Partner Guideline, confirming consistency and flagging any residual conflicts for YFCBD's decision.

6. Standardized Billing and Financial Forms Pack

A complete set of billing, invoicing, and financial forms (payment voucher, advance and settlement, per diem/travel claim, procurement, asset register, subgrant fund request and liquidation) mapped against YFCBD's existing templates, in editable format.

7. Validation and review Session

Facilitation of a review and validation session with YFCBD staff and management and relevant stakeholders.

8. Final Financial Management Policy

Finalized Financial Management Policy incorporating YFCBD's feedback, submitted in both editable Word and PDF formats.

9. Training Module on Financial Management Policy Orientation

A complete orientation module including session plan, facilitator guide, presentation, handouts, and assessment tools.

10. Training Module on Financial Operations and Compliances

A practical financial operations module covering day-to-day financial procedures, documentation, compliance, approval processes, advance settlement, procurement, payment, and reporting.

11. Training Materials and Tools

PowerPoint slides, exercises, case studies, pre/post-test tools, templates, checklists, and participant materials.

12. Rollout and Implementation Plan

A short practical plan for policy dissemination, staff orientation, acknowledgment, and periodic review.

13. Final Submission Package

All final documents, annexes, training materials, and editable files are organized in a single submission folder.

14. Facilitation on Policy Orientation and Training Module

Consultant or consultant firm representative will Facilitate a workshop on final Financial Management Policy Orientation workshop and ToT workshop of the Training Module on Financial Policy Orientation and Financial Operation.

6. Assignment Duration

The assignment is expected to be completed within [insert number, e.g., 30–45 working days] from the date of signing the contract.

A proposed timeline is outlined below:

Deliverable	Tentative Timeline
Inception report and workplan	Within 3 working days of contract signing
Review of existing documents and stakeholder consultations	Within 7 working days of contract signing
Draft Financial Management Policy submission	Within 12 working days
Draft training modules submission	Within 15 working days
Validation/review session	Within 18 working days
Final Financial Management Policy and training modules	Within 25 working days

7. Reporting Line and Coordination

The consultant/firm will report to the designated focal person of Youth For Change Bangladesh Foundation and coordinate closely with YFCBD's management, finance, programme, and operations teams.

If a consultancy firm is selected, the firm must appoint a dedicated Focal Person/Team Lead for this assignment. The appointed focal person will be responsible for leading and coordinating the entire assignment on behalf of the firm, ensuring timely communication, organizing meetings and consultations, submitting deliverables, incorporating feedback, and maintaining regular coordination between Youth For Change Bangladesh Foundation and the consultancy firm.

The focal person will serve as the primary point of contact for all technical, administrative, and coordination-related matters throughout the assignment period. Any change of the focal person during the assignment must be communicated to and approved by YFCBD in advance.

YFCBD will provide relevant existing documents, guidelines, templates, and necessary organizational information to support the assignment, including the Financial Management Guideline (2021), Internal Control Framework (2025), Anti-Fraud Policy and Management Framework (2025), Subgrant and Co-Implementation Partner Guideline, Safeguarding Policy, PSHEA Guideline, Gender Policy, HR Policy Manual/PMDF, and the Environment, Climate Change and DRR Programmatic Policy & Framework, under the confidentiality terms set out in this ToR.

8. Required Qualifications and Experience

Interested consultants/firms should have the following qualifications and experience:

Essential

- Master's degree in finance/accounting/business administration/development studies/public administration/law or a relevant discipline.
- At least 10-12 years of demonstrated experience in developing financial policies, operational manuals, internal control systems, or compliance frameworks.
- Strong understanding of NGO financial management, donor compliance, budgeting, procurement, documentation, and audit requirements.
- Knowledge of Bangladesh NGO sector compliance requirements, including relevant financial, tax, VAT, NGOAB-related procedures, and Anti-Money Laundering/Countering the Financing of Terrorism (AML/CFT) obligations under Bangladesh Financial Intelligence Unit (BFIU) guidance.
- Proven experience in developing practical policy documents, training modules, facilitator guides, and operational tools.
- Experience working with NGOs, INGOs, youth-led organizations, civil society organizations, or donor-funded projects.
- Excellent writing, facilitation, analytical, and documentation skills in English. Bangla documentation skills will be considered an advantage.

Registration: 3444 (NGOAB) and S-13770 (RJSC)

Address: 3rd floor, House no: 33, Road no: 02, Janata Housing Society, Adabor, Dhaka-1207.

Contact no: +8801911059159, +8801791929992

Email: bangladesh@youthforchange.org

Website: www.youthforchange.org

- Ability to deliver high-quality outputs within agreed timelines.

Desirable

- Professional qualification or certification in accounting, finance, audit, compliance, or organizational development.
- Experience in developing policies for growing or youth-led organizations.
- Experience in facilitating finance training or policy orientation for non-finance staff.
- Familiarity with safeguarding, anti-fraud, conflict of interest, and accountable governance principles.
- Familiarity with Anti-Money Laundering/Countering the Financing of Terrorism (AML/CFT) risk screening and Bangladesh Financial Intelligence Unit (BFIU) guidance for the NGO/NPO sector.

9. Application Requirements

Interested consultants/firms are requested to submit the following documents:

1. Cover letter expressing interest.
2. Technical proposal including:
 - Understanding of the assignment
 - Proposed methodology
 - Workplan and timeline
 - Proposed structure of the Financial Management Policy
 - Proposed approach for developing the Per Diem and Travel Policy rate structure, the AML/CFT safeguards, and aligning new billing/financial formats with YFCBD's existing templates
 - Proposed approach for training module development
3. Financial proposal in BDT, including VAT and Tax.
4. Updated CVs of consultant/team members.
5. Organizational profile, if applying as a firm.
6. Examples or links of similar previous work.
7. Updated Trade License, TIN Certificate, BIN Certificate, and relevant legal documents, where applicable.
8. At least two references from previous relevant assignments.

10. Financial Proposal

The financial proposal should be submitted in BDT and should include all applicable costs, including professional fees, consultation costs, training material development costs, VAT, Tax, and any other relevant expenses.

VAT and Tax will be deducted at source as per the rules and regulations of the Government of Bangladesh.

11. Evaluation and Selection Criteria

The selection of the consultant/firm will be based on the overall evaluation of:

- Technical Proposal
- Relevant Experience and Qualifications
- Financial Proposal

The contract will be awarded to the consultant/firm whose proposal demonstrates the best overall value based on the combined assessment of the above criteria.

12. Payment Schedule

Payment will be made upon the successful submission and acceptance of all the deliverables.

13. Confidentiality and Ownership

All documents, information, data, policies, guidelines, templates, tools, and materials received from or produced for YFCBD under this assignment shall remain the property of Youth For Change Bangladesh Foundation.

The consultant/firm must maintain strict confidentiality of all information and documents accessed during and after the assignment. No information, document, or material may be shared with any third party without prior written approval from YFCBD.

The consultant/firm shall hand over all editable and final versions of the documents to YFCBD upon completion of the assignment.

14. Safeguarding, Anti-Fraud, and Ethical Compliance

The consultant/firm is expected to maintain the highest standards of professional ethics, integrity, transparency, and accountability.

The consultant/firm must comply with YFCBD's relevant policies and principles, including safeguarding, code of conduct, anti-fraud, conflict of interest, confidentiality, AML/CFT expectations, and data protection requirements.

Any breach of confidentiality, misconduct, fraud, misrepresentation, or unauthorized use of organizational information may result in termination of the contract. Any action or behavior violates organizational safeguarding policy, PSEA guideline, code of conduct or any policy may result in termination of the contract and organization will take steps according to the organizational policy and the law of Bangladesh.

15. Background Check

YFCBD reserves the right to conduct reference checks and verify submitted documents, previous experience, legal status, and professional background before awarding the contract.

The consultant/firm may be required to provide additional information, including references, client list, bank information, and legal documents, as part of the selection and contracting process.

16. Termination of Contract

Either party may terminate the contract by providing **7 days' written notice**. YFCBD may terminate the contract immediately in the event of material breach, repeated failure to meet agreed timelines or deliverables, professional misconduct, misrepresentation, code of conduct violation or unauthorized disclosure of confidential information.

Upon termination, the consultant/firm must hand over all completed and ongoing work, including drafts, tools, training materials, notes, templates, and related documents. Payment will be made only for work completed and accepted by YFCBD up to the date of termination.

17. Submission Guidelines

Interested consultants/firms are requested to submit their proposal electronically to:

Email: procurement@youthforchange.global.org

Email subject line: Proposal for Development of Financial Policy and Training Modules — YFCBD
Or

Physically to: House no. 33, Road No. 02, Janata Housing limited, Adabor, Dhaka, Bangladesh, 1207.

The proposal should be submitted as a single PDF file or in one compressed ZIP folder containing separate technical and financial proposals. Submission of a physical copy is appreciated.

Submission Deadline

Proposals must be submitted by 15th July 2026

Late submissions will not be considered.

18. Queries and Clarifications

For any queries or clarification, interested applicants may contact:

Contact Person: Md Nur Alam

Designation: Finance and Admin Officer, Space To Lead Project

Mobile: +880 1791-929992

Or

Contact Person: Rafid Amin Akhkhori

Designation: Advocacy and Capacity Development Officer, Space to Lead Project

Mobile: +880 1786-796405

19. Disclaimer

Youth For Change Bangladesh Foundation reserves the right to accept or reject any or all proposals, cancel the procurement process, or modify the scope of work without assigning any reason whatsoever.

Any direct or indirect attempt to influence the selection process may result in disqualification.
