10.5 IFRS related experience

All the listed companies, banks and stated owned banks/companies (including Bangladesh Biman Airlines Ltd.) are required by law/regulation to prepare their financial statements in compliance with IFRSs as adopted in Bangladesh. As auditor of a good number of banks, listed companies and state-owned banks/companies, we are required to ensure that IFRSs are duly complied with. Over the years we have experienced that in most of such audit works, we had to guide these companies/banks as to how the IFRSs are to be implemented and complied with. Even since July 2014, all the private companies in Bangladesh are also required to follow IFRSs and applicable income tax law.
